## THE TOP 5 ART EXHIBITIONS TO SEE IN LONDON BEFORE AND DURING FRIEZE WEEK

Xavier Robles de Medina @ Alice Amati

Recreating book covers through drawing, nature footage in large scale and a sculptured painting of an image from fairy tales, this layered exhibition looks at both

# ALICE AMATI

the artist's tragic personal history involving a plane crash but also his Surinamese heritage and how colonialism has affected his homeland as a country that has been

colonised by the French, the British and the Dutch – plus its national flower originates in India. Until 8 October.
