## THE TOP 6 ART EXHIBITIONS TO SEE IN LONDON IN EARLY JULY

Tabish Khan the @LondonArtCritic picks 6 art exhibitions to see in London in early July . Each one comes with a concise review to help you decide whether it's for you.

### Infinite Loop @ Alice Amati

This new Fitzrovia gallery opens with an impressive group show of painters. I was particularly drawn to Danielle Fretwell's use of veils and drapes within her hyper-real paintings to conceal objects, and Ugo Sebastiao's figures based on religious iconography that are just about visible through their subtle gradations of colour. Until 8 July.
